MSM is reporting that "a few hundred Trump supporters" showed up in DC to protest. That's a lot of noise from just a few hundred.

Joshua 6:20

So the people shouted when the priests blew with the trumpets: and it came to pass, when the people heard the sound of the trumpet, and the people shouted with a great shout, that the wall fell down flat, so that the people went up into the city, every man straight before him, and they took the city.

News earlier said a few dozen congressmen were objecting to certification. Just minimizing numbers. Technically true, a dozen are objecting. And a dozen more, and a dozen more....

Those are pretty much a myth. Hopefully this gathering will spawn some real "government reform" networks IRL. Organization is the right's greatest weakness right now.

I will pass to you one of my all time favorite videos. 7 years ago - The evil President of Turkey abused his citizens in an occupied park in Istanbul. Cute girls in red dresses were tear-gassed at close range. Water cannons caused injuries, etc. One afternoon, a university choir sang in the park. The first 50 seconds are in English, and of course most Turkish people don't know English. But then they switch to Turkish.. and although nobody knows the song.. they hear the words and... The reaction is... <https://www.youtube.com/watch?v=HuVHxARvhlk>

What do you want him to do? Huh? What? What does he have the power to do that won't tear the nation apart at the seams and destroy the economy? Huh? Please tell us, oh man of action. What can a White House Aide/Lawyer do that will be enough to satisfy you?

Why don't YOU do something? You can start by holding off on making demands of people that are far more invested in this fight and have done FAR MORE than YOU.

1. Don't use PPP funds to buy the lambo.
2. Lambo provided free (plus the sloppy, etc).
3. Use PPP funds for the lambo insurance. Now a biz expense.
4. ??? (but probably involves more of the sloppy)
5. Way more than the usual amount of profit.
